ABOUT SIGNATURE

Signature Magazine embodies the Diners Club brand promise of enabling and enriching life's journey, bringing to life, in vivid clarity, the premium lifestyle to which Diners Club members aspire. With an exclusive, yet approachable style, combined with intelligent and insightful content, Signature offers an authentic view into the lifestyle and aspirations of Diners Club Members.

DINERS CLUB INTERNATIONAL

Since 1950, Diners Club International caters to a select community of like-minded individuals who have a progressive and inspiring view of acquiring wealth. Diners Club is more than just a corporate enterprise, it is a bespoke club that strives to deliver superior service while creating relationships beyond regular card transactions. Club members understand that the process of wealth accumulation varies from the experience gained over many years, and is contemporarily defined by diversifying values. For these club members, the focus is not on what wealth can acquire, but rather what accumulated wealth can achieve. This sophisticated approach to wealth is reflected in the manner in which clubmembers approach the purchasing process - wherein a particular purchase is not concluded to enhance personal image, but rather to facilitate positive change.
